

1 BR in Large 4 BR House in Mountain View, CA

4 BR, 3 BA, 2,053 sqft, WD, backyard, deck

We are two friendly and easy going PhD scientists, looking for good housemates. The house is really nice and sunny with beautiful wood floors and lots of space. Desertscape; Roses; Orange, lemon, and lime trees. Close to the heart of Si valley, near El Camino Hospital. Lease goes through June, so we are looking for a 6-7 month lease, possibly renewable. Available immediately. Master available for \$1950/mo, other bedroom for \$1550/mo, plus split bills.
